

Health and Safety Policy (V1.0)

We, Leopard Imaging Inc., are committed to providing a safe and healthy workplace for our employees, customers, and visitors. We recognize that the health and safety of our employees is of the utmost importance and is integral to our success as an organization.

Our goal is to ensure that all employees can work in a safe environment and that everyone understands their roles and responsibilities in promoting health and safety. We are committed to complying with all relevant health and safety laws, regulations, and best practices.

To achieve this goal, we will:

Identify and assess workplace hazards and take steps to eliminate or control them to minimize risks to employees.

Provide appropriate training and resources to employees to ensure they are able to work safely and know how to respond to emergencies.

Encourage open communication and reporting of health and safety concerns and ensure that all incidents are thoroughly investigated to prevent recurrence.

Monitor our health and safety performance, and continually improve our processes and procedures to minimize risk and protect our employees.

Ensure that all employees, customers, and visitors are aware of our health and safety policies and procedures and are encouraged to take an active role in promoting health and safety in the workplace.

We expect all employees to share our commitment to health and safety, and to take responsibility for promoting a safe and healthy workplace.
